(When calling for reservations mention that you are with the car show)

We hope you will join us for our 21st British Car Gathering. It's an opportunity for individuals who are committed to the enjoyment and preservation of British cars and motorcycles to relax in the beauty of the Smoky Mountains and share their passions and experiences with fellow enthusiasts.

Plan on attending Friday night hospitality – a time to mix, mingle, eat barbeque and relax around the fire after being on the road. Saturday will offer a popular choice show, trophy presentation, and door prizes. Dinner at the Carriage House Restaurant will cap the day's activities.

New this year will be a timed rally for the Saturday afternoon drive. As last year, there will be a class for British motorcycles, a 'For Sale' corral, Most Outstanding Vehicle award (BBC members only vote), and Little British Car Co. will be the featured vendor.

Proceeds from "Springtime in the Smokies" will be donated to several local deserving charities selected by a special committee.

We look forward to seeing you in May!
